

# Flax Art Workshop

with Belgian Artist Germana Tack

Learn art techniques  
using natural flax fiber

Adapt your  
artistic vision to this  
natural medium

Create sculptural and  
two-dimensional forms

Enjoy a collaborative  
creative environment

Showcase your  
artwork and  
participate at the  
East Barnard  
Linen Fair  
in September

**This is a community transaction:**

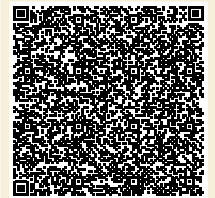

*We believe that by creating an effective, convenient and reliable mechanism for providing development, training and helping other people, we will make the world safer, fairer and more sustainable.*

**We commit** to bringing Germana to Vermont, providing some of the needed supplies, offering instruction in May and an art showcase and community engagement at the Fair in September

**You commit** to attending 2-4 workshop sessions, bringing some of the needed supplies, starting artwork at the workshop and bringing the finished work to the East Barnard Linen Fair on September 7 and 8.

Workshops dates available  
during the last two weeks  
of May 2024
